# RAMÓN'S BIO

Puerto Rican drag king Ramón is a spiritual cheerleader/joy expert. His speciality? Interacting with audiences, promoting play, and pumping rooms up with self-love and gratitude. As a queer, drag version of Mr. Rogers meets Pee Wee Herman, Ramón uses dance, call, and response, and various body-based exercises to raise people's dopamine levels during shows. The result inspires people to feel truly good in their heart center. Ramón fuses science with spirituality and believes YOU matter because you ARE matter.

In 2022, Ramón won a scholarship from the Hollywood Fringe Festival. This resulted in a 70-minute audience-interactive, immersive solo show *The Ramón Show: Spiritual Cheerleading 101*. The show had several sold-out shows, an extended run, and later went on to win “Best Immersive and Games Show”, a “Producers Encore Award”, and was named a “Pick of The Fringe” from the Hollywood Fringe Community. The show also received the coveted “Our Top Ten” from L.A. Theater Critic [Stage Raw](#).

In 2023 Ramón won “Best Cabaret & Variety Show from The Hollywood Fringe Community for his show: *The Ramón Show + Friends: Collective Healing*.”

In 2024 Ramón was nominated for the Zephyr Theater’s “Zest Award.” This award is bestowed to shows with the most artistic merit and commercial viability for his newest Hollywood Fringe show *Revolution/Revolución with Ramón*.

Ramón performs his award-winning show, *Spiritual Cheerleading 101* at colleges, comedy venues, retreat centers like [The Esalen Institute](#) in Big Sur, festivals like [Same Same But Different](#) and [Shake and Shine Festival](#) in San Diego, and at [The Kennedy Center American College Theater Festival in Spokane](#), Washington.

Ramón consistently performs 10-15 minute sets at variety and comedy shows all over the United States, and wellness centers, including [The Center for Yoga in Larchmont](#).
